**Segreteria Sin**

Al Presidente della Società Italiana di Neurologia

Alla Segreteria della Società Italiana di Neurologia

Con la presente mi candido al rinnovo della carica di Coordinatore del Coordinatore del Gruppo di Studio "Digital technologies, web and social media". In allegato il mio CV come richiesto dal regolamento.

Luigi Lavorgna

**Luigi Lavorgna**
Date and place of birth: January 24, 1970 – Napoli, Italy
Address: via Cesario Console 3, 80132 Napoli
luigi.lavorgna@policliniconapoli.it
**Current job**
Neurologist - AOU - Università degli Studi della Campania "Luigi Vanvitelli"
**Qualification**
Specialist in Neurology, PhD in Neuroscience, AOU - Università degli Studi della Campania "Luigi Vanvitelli".
National Scientific Qualification to Associate Professor in Health professions sciences and applied medical technologies (MED 50)
Chair of the Study Group of the Italian Society of Neurology "Digital technologies, web and social media"
**Bibliometric indexes**
Number of articles: 114
H index (Scopus + Web of Science): 27
Citations (Scopus + Web of Science) last 15 years: 2160
**Previous jobs**
- from 2005 to 2009 Vice-President of Campania Digitale and Project Coordinator "Innovation and Communication Technology" - Presidency of the Campania Region - Department for technological innovation, research and technology transfer
- from 2005 to 2009 Member of the Board of Directors of the Company for the Right to University Study - Head of the computerization of Services - Università degli Studi L 'Orientale
- from 2006 to 2008 Contract Professor of Neurological Rehabilitation - Faculty of Motor Sciences - Università degli Studi Parthenope di Napoli
- in 2012 Director of SMsocialnetwork, the first digital space entirely dedicated to people with Multiple Sclerosis.
- 2017/2018 Contract Professor at the Master "Digital health, web and social networks" - Università degli Studi della Campania "Luigi Vanvitelli"
- 2017/2018 Adjunct Professor of Neurology at the Degree Course in Nursing - Università degli Studi di Napoli Federico II
- 2022-2023 Contract Professor at "Charcot Multiple Sclerosis Management Master of Science" a cooperation project of the European Charcot Foundation and the University of Continuing Education of the TU Dresden, Dresden International University
- 2002-2023 Visiting Professor University Vita Salute San Raffaele – Milano
- 2023 Visiting Professor University of Turin
**Research groups**
- from March 2003 to December 2007 collaboration to the planning and carrying out of research projects based on the use of nonconventional magnetic resonance techniques with high magnetic field - II Clinica Neurologica – Seconda Università di Napoli, with 3 scientific productions.
- From 2015 to 2018 Member of the study group iMUST (Multiple Sclerosis Team Improving Skills and Competency) with 3 scientific productions
- from January 2018 to date Chair of the Study Group of the Italian Society of Neurology "Digital technologies, web and social media" with 11 scientific productions
- from January 2015 to January 2019 Scientific Director of the international project of Digital Health "Parenthood in MS" with 2 scientific productions

- from 12/2015 to date Scientific Director of the Digital Health project "Wearable device for remote monitoring of patients with Multiple Sclerosis" with 3 scientific productions
- from January 2021 to date Member of Board of Italian Consensus on Telerehabilitation (Istituto Superiore di Sanità)
- from May 2021 to date member of Scientific Board of Teleneuropsycology Group with ongoing scientif production
- from January 2022 member of European Reference Network for rare neurological diseases (RND) with ongoing scientif production

**Awards for scientific activity**
- 12/2015 National Women's Health Observatory Award at SMsocialnetwork, as an innovative project of excellence, an example of telemedicine. SMsocialnetork is a project entirely designed, directed and coordinated by the candidate to the qualification Dr. Luigi Lavorgna (as can be seen also from the scientific studies published and present in the list of publications)
- Novartis International award for the best Digital project in 2018 at the Onederful App for digital remote monitoring of vital signs recorded by a wearable device in patients with multiple sclerosis

**Technology transfer**
- 01/2018 Director of the Spin-off NeuroDigit - Università degli Studi della Campania "Luigi Vanvitelli" (Authorization 06/2018) with this activities: 1. Create new tools dedicated to research and development activities and production of services 2. Design and collaborate with local companies and institutions for the resolution of problems in the medical field 3. Promoting research activities and its dissemination, highlighting the web 4. Promoting participation in national and international research projects with collaborative and developmental aims, as well as that of create a bridge between public research and companies operating in the sector. NeuroDigit contributed to the publication of 10 studies.
