**Oggetto:** Less than a week to submit your research - WCN Rome 2021

### **Final week to submit your abstract**

---

You have less than a week to submit your abstract and help us shape the future of neurology at the **XXV Biennial World Congress of Neurology**. Use the remaining days to finalize your research and make your revolutionary discoveries a valuable addition to the program of the event.

The abstract submission for WCN 2021 is closing on 5 April 2021.

## Looking for the best young neurologist investigator

---

The WFN will once again support one young investigator from the WCN region, who has submitted a research for WCN 2021. Applicants should be neurologists in training or early in their career, have an M.D. or equivalent medical degree, hold a post not above that of Associate Professor, and be no older than 45 years.

!This is your chance to get the recognition you deserve

## Plenary sessions highlights

---

WCN 2021 will bring together first-class speakers and experts in neurology to present the latest advancements in the field to you. Our scientific program will provide you an excellent opportunity to learn from the very best. We hope these plenary sessions inspire you to cross new frontiers:

- **Plenary Lecture 2** – Sunday, October 3, 2021  
“Thomas Willis – His Life and Times”  
*Prof Alistair Compston – UK*
- **Presidential Symposium & WFN Medals Presentation** – Monday, October 4, 2021

**Plenary Lecture 3:** “Challenges Faced by the WHO in the Management of a Global Pandemic”  
*Dr Michael Ryan (Switzerland)*

**Presidential Oration:** “WFN During and Beyond the Pandemic”  
*William Carroll (Australia)*

- **Plenary Lecture 4: Soriano Plenary Award Lecture** – Tuesday, October 5, 2021  
“Lighting Up the Brain”  
*Prof Gero Miesenböck (UK)*
- **Plenary Lecture 8: Singhal Award Lecture** – Thursday, October 7, 2021  
“New Therapies for MND”  
*Prof Pam Shaw (UK)*
