Federica Agosta

Federica Agosta was born in Milano on 01/04/1978, took her Graduation in Medicine in 2003, Post-Degree Graduation in Neurology in 2008, and PhD in Experimental Neurology in 2012.

She is Associate Professor of Neurology and President Master's Degree in Rehabilitation science for healthcare professionals at Vita-Salute San Raffaele University, and Group Leader of the Neuroimaging of Neurodegenerative Diseases Unit at the Institute of Experimental Neurology, Division of Neuroscience, Ospedale San Raffaele, Milano.

Federica Agosta has a broad background in clinical neurology and neuroimaging, with specific training and expertise in MRI in neurodegenerative diseases including Alzheimer's disease, frontotemporal dementia, primary progressive aphasia, amyotrophic lateral sclerosis and Parkinson's disease.

Federica Agosta is Chair the Neuroimaging Study Group of the Italian Society of Neurology (SIN) and of the Neuroimaging Society in ALS (NISALS), and member of the Management Group of the ALS-FTD Panel of the European Academy of Neurology.

She is also member (and has been member from 2016 to 2018) of the Steering Committee of the Italian Society for the Study of Dementia (SINdem). Then she held the position of Secretary and Treasurer of the society from 2018 to 2020 and from 2020 to 2022, respectively. In SINdem, she is also the coordinator of the Neuroimaging Study Group.

Her research has led to the publication of over 300 Pubmed-referenced papers (H Index 67, Scopus). In 2016, she has been awarded an ERC Starting Grant. Since 2016, Federica Agosta is Section Editor of the *NeuroImage: Clinical* journal.
