Oggetto: Scadenza mandato GdS Sin Neurogenetica Clinica e Malattie Rare: Candidatura
Allegati: Curriculum M. Filosto .pdf

Alla Cortese Attenzione della Segreteria SIN

Con la presente, il sottoscritto Prof. Massimiliano Filosto, invia la propria candidatura per ricoprire il mandato di Coordinatore del Gruppo di Studio di Neurogenetica Clinica e Malattie Rare della SIN. Si allega curriculum vitae.

Cordiali Saluti,

Massimiliano Filosto

Curriculum vitae

Prof. Massimiliano Filosto

Place and date of birth: Catania (Italy), 16/12/1969

E-mail: massimiliano.filosto@unibs.it

Phone: 0039.030 6729100

Education and Academic Training

1993: M.D., with honour, University of Catania

1999: Residency in Neurology, with honour, University of Verona

2003: Ph.D. in Neurosciences, University of Verona

2002-2003: Postdoctoral Research Fellow, Department of Neurology, Columbia University, New York, USA (Prof. S. DiMauro)

Scientific Associations

Member

Since 2000, he has been a member of the Italian Society of Neurology and the Italian Association of Myology; since 2005, he has been a member of the Italian Association of Neuropathology; since 2007, he has been a member of the World Muscle Society; and since 2010, he has been a member of the Italian Association for the Study of the Peripheral Nervous System.

Since 2011, he has been a member of the Treat-NMD Neuromuscular Network (a network of excellence funded by the European Commission FP6).

Since 2016, he has been a full Individual Member of the European Academy of Neurology (EAN) and participates in expert panels on neuromuscular diseases, neurogenetics, peripheral neuropathies, and motor neuron diseases.

Since 2018, he has been a member of ENCALS, the European Network to Cure Amyotrophic Lateral Sclerosis.

Since 2021, he has been a Fellow of the European Academy of Neurology.

Since 2022, he has been a member of the Peripheral Nerve Society and is part of the following consortia belonging to the society: the Inflammatory Neuropathy Consortium (INC), the Charcot-Marie-Tooth and Related Neuropathies Consortium (CMTR), and the Neuropathic Pain Consortium (NPC).

Since 2022, he has been a member of the Italian Society for the Study of Hereditary Metabolic Diseases and Newborn Screening (SIMMESN).

Since 2022, he has been a member of the European Society for Mitochondrial Research and Medicine (E-mit).

He is a member of the Medical/Scientific Commission of the Italian Union against Muscular Dystrophies (UILDM), and Mitocon Italia.

Board member

From 2012 to 2018, he was a member of the Board of the Italian Association of Myology (AIM).

In 2021, he was elected as a member of the Management Group of the EAN Scientific Panel “Muscle & NMJ Disorders”.

Since 2022, he has been a member of the Board of the Italian Association for Peripheral Nervous System (ASNP).

Currently, he is Coordinator of the Neurogenetics and Rare Diseases Study Group of the Italian Society of Neurology (SIN), Regional Coordinator of the Italian Association of Myology (AIM) for the Lombardy macro-region, and Coordinator of the Executive Board of the Study Group for Facio-Scapulo-Humeral Dystrophy of the Italian Association of Myology (AIM).

He is a member of the Board of Healthcare Providers of the ERN-European Reference Network - Rare Neuromuscular Diseases (EURO-NMD), ASST Spedali Civili di Brescia (Italy).

He is a member of the EAN UEMS SN/EBN Joint Education Board (JEB) with the role of EAN delegate for the European Board of Neurological Examination and a Co-Chair of the Scientific Panel for Muscle and NMJ Disorders of the European Academy of Neurology.

Academic Role

Prof. Filosto is Associate Professor of Neurology at the Department of Clinical and Experimental Sciences, University of Brescia.

He is Director of the Residency Program in Neurology (School of Specialisation in Neurology) at the University of Brescia.

He is a member of the Quality Committee for the Research area of the Department of Clinical and Experimental Sciences, University of Brescia

He is President of the Course "Rehabilitation and Neuropsychiatric Sciences" at the Degree Course in Professional Education, University of Brescia

Clinical Role

Prof. Filosto is Director of the NeMO-Brescia Clinical Center for Neuromuscular Diseases, Brescia, Italy.

Other Roles

Since 2019 he has been an expert of the European Medicine Agency (EMA Expert nominated for involvement in EMA activities).

Scientific Activity

The main interests in the field of neuroscience are muscle, nerve, and motor neuron diseases. His work focuses on myopathies, mainly on pathological findings, epigenetic and genetic aspects, and genotype-phenotype relations. He is also involved in studying the etiological and pathogenetic aspects of mitochondrial diseases, SMA, ALS, and inflammatory neuropathies.

He is involved as a principal investigator in several national and international clinical studies and trials on neuromuscular diseases.

He is or has been a “reviewer” for several scientific journals, including *Neurological Sciences* (Italy), *BMC Neurology* (UK), *European Journal of Neurology* (UK), *BMC Medical Genetics* (UK), *Mitochondrion* (USA), *Journal of Neurology* (Germany), *Neuroepidemiology* (New Zealand), *Clinical Neurology and Neurosurgery* (Belgium), *Muscle and Nerve* (USA), *PLoS ONE* (U.K.), *Movement Disorders* (USA/Spain), *Seizure - European Journal of Epilepsy* (UK), *Brain Research* (USA), *Clinical Genetics* (Canada), *Journal of The Neurological Sciences* (USA), *Neuromuscular Disorders* (UK), *Molecular Genetics and Metabolism* (USA), *Neuroscience Letters* (USA), *International Journal of Molecular Sciences* (Switzerland), *Epigenomics* (USA), *Scientific Reports-Nature* (UK), *Journal of Clinical Medicine* (Switzerland), *Frontiers in Neurology* (Switzerland), *Frontiers in Physiology* (Switzerland), *Molecules* (Switzerland), *American Journal of Alzheimer Disease & Other Dementias* (United Kingdom), *Human Mutation* (USA), *Case Reports in Medicine* (Egypt, USA), *Frontiers in Pharmacology* (Switzerland), *Annals of Neurology* (USA), *Orphanet Journal of Rare Diseases* (Europe), *Acta Myologica* (Italy), *Annals of Clinical and Translational Neurology* (USA), *JAMA Neurology* (USA), *Cells* (Switzerland), *Journal of Affective Disorders* (USA, Italy), *BMC Musculoskeletal Disorders* (UK), *eNeurologicalSci* (World Federation of Neurology), *Journal of Neuroimmunology* (USA), *Brain Communications* (UK), *Cellular and Molecular Life Sciences* (Germany), *RRNMF Neuromuscular Journal* (USA), *Clinical and Experimental Medicine* (Italy).

He's part of the Editorial Board of the journals *Case Reports in Neurological Medicine*, *Frontiers in Neurology*, *Frontiers in Neuroscience*, *Frontiers in Aging Neuroscience*, *Neurological Sciences*, *Acta Myologica*, *Current Pharmaceutical Biotechnology*, *Current Drug Target*, *Journal of Clinical Medicine*, *Journal of Translational Genetics and Genomics*, *Journal of Integrative Neuroscience*, *Cells*, *International Journal of Clinical Practice*, *Muscles*, *Frontiers in Genetics*, *Advanced Neurology*.

Publications

Prof. Filosto is author- coauthor of more than 250 papers on indexed international journals, eight book chapters, one book as an Editor and more than 350 abstracts for national and international congresses. His Scopus H-index is 48; his Google Scholar H-index is 51.

Il sottoscritto è a conoscenza che, ai sensi dell'art. art. 76 del DPR 445/2000, le dichiarazioni mendaci, la falsità negli atti e l'uso di atti falsi sono puniti ai sensi del codice penale e delle leggi speciali. Inoltre, il sottoscritto autorizza al trattamento dei dati personali ai sensi dell'art. 13 GDPR 679/16 – "Regolamento europeo sulla protezione dei dati personali"

Brescia, 07.11.2024
