Oggetto: Abstract submission deadline is extended - WCN Rome 2021

Abstract submission extended

As challenging as the current situation may be, it further emphasizes the importance of advancing science, for which international collaboration is key! We have listened to your requests and therefore we are extending the abstract submission period for the XXV Biennial World Congress of Neurology **until April 12, 2021.**

Take advantage of this extra time, add the finishing touches to your latest research and share your important findings at WCN2021. Let us exchange knowledge internationally and push forward our revolutionary discoveries in the field of neurology!

What is your research about?

Look at this year's abstract topics once again and share your research findings with us. At WCN 2021 we will cover a wide range of areas related to the field of neurology including COVID-19 neurology, stroke, headache, MS & demyelinating diseases, sleep disorders and a lot more. Review all of them [here](#).
